

We are recruiting staff nurses to work in London

Whittington Health is a busy integrated care organisation providing acute and community services in north London. Our main hospital site is located near **Archway (zone 2)**, with excellent transport links.

We are looking for **committed nurses** and we have a range of **full and part-time roles available**, whether you are just starting out in your career or highly experienced.

We can offer:

- A minimum starting salary for newly qualified nurses of **€31,643** inclusive of outer London weighting
- A **£500 interest free loan** towards costs
- A **£1000 welcome and retention payment** (conditions apply)
- Help to find **affordable accommodation**
- Help to set up **payroll and personal banking**
- **Flexible working** -full time nurses work 37.5 hours a week
- Access to our fleet of **electric cars** for nurses working in the community
- We will pay for successful recruits' **flights to the UK**
- Reimburse **IELTS** cost for successful candidates who come to work with us in District Nursing.

Interviews will take place in **Coimbra, Portugal** on **1st & 2nd March**
